Science

- Lab 06
- Science activities will be linked to the units of inquiry
- We would like to expand our science materials collection with things from your adventures or travels or your areas of expertise. Have you visited an interesting habitat or collected some nature items? They would be great for our Lab.
- We also welcome any doctors, engineers, dentists or anyone working in “science” to contribute to our units of inquiry and our Lab 06. Reach out to Krystyna or your teachers to discuss how.

INDEPENDENT EDUCATION

RWI and literacy

- We will be starting in January introducing the letter sounds, and the pictures that go along with them (Show Read, write, Inc flashcards).
- We will share links to resources you can get for home learning when we start.
- Reading and comprehension: How to help? Show how to care for books, hold book properly, read every night to them, make sure they see you reading. Let them turn the pages, they know how and love to get involved in the process. Talk about the pictures on the page and ask them what they see, this will help them understand the words you read. Reading is vital and essential in life. Therefore, it must be enjoyable.

Excursions

ST.PETER'S

BARCELONA

INDEPENDENT EDUCATION

Classlist app and parent involvement

- You will receive an invitation to your PRIVATE email and automatically get assigned to your child's class
- We would like this app to replace Whatsapp groups as the main form of social communication for our parents as it's safer and more inclusive (you don't need to share your private mobile number).
- You can exchange uniforms, organise social events (private), get to know other parents at the school from the same country as you etc
- Any social events the school will be organising will be on Classlist and RSVP through Classlist to offload our Reception
- Classlist is a social network for parents. Your teachers can't communicate with you through there. For formal communications we use Seesaw and Gmail.
- Would you like to be a Class Host? Please let Krystyna know and we will assign you as a Host for your class.

INDEPENDENT EDUCATION

How can I support my child?

- Try to watch Tv, listen to music in English
- Always aim for independence
- Good Manners
- Encourage your children to talk about their day at school
- Help them understand their timetable, calendar, days, weeks, months, seasons.
- Know the current Unit of Inquiry (it is on the school website)
- Every child is unique with their own strengths, do not compare.
