## RWI and literacy

- We will be introducing them to blending and first readers. Tracey is responsible for reading levels.
- Resources you can get for home learning: RWI readers
- Used picture books in English are available on Amazon for a small price if you feel like you need to extend your collection.

# Science

- Lab 06
- Science activities will be linked to the units of inquiry
- We would like to expand our science materials collection with things from your adventures or travels or your areas of expertise. Have you visited an interesting habitat or collected some nature items? They would be great for our Lab. We also welcome and doctors, engineers, dentists or anyone working in “science” to contribute to our units of inquiry and our Lab 06. Reach out to Krystyna or your teachers to discuss how.

# Excursions

- Term 1: Can Ribas 13th October
- Term 2: Granja Aventura 18th March
- Term 3: Can Ribas overnight 16/17th May,

There will be other smaller excursions during class time that we will decide based on our units of inquiry.

# Classlist app and parent involvement

- You will receive an invitation to your PRIVATE email and automatically get assigned to your child's class
- We would like this app to replace Whatsapp groups as the main form of social communication for our parents as it's safer and more inclusive (you don't need to share your private mobile number).
- You can exchange uniforms, organise social events (private), get to know other parents at the school from the same country as you etc
- Any social events the school will be organising will be on Classlist and RSVP through Classlist to offload our Reception
- Classlist is a social network for parents. Your teachers can't communicate with you through there. For formal communications we use Seesaw and Gmail.
- Would you like to be a Class Host? Please let Krystyna or your teacher know and we will assign you as a Host for your class.

## How can I support my child?

- Always work towards independence
- Aim for a sense of order
- Encourage good manners
- Use the time in the evening to rest and recharge
- Encourage your children to talk about their day at school
- Help them understand weeks, months, seasons, calendars and timetables
- Know the current Unit of Inquiry we are working on
- Watch TV in English
- Every child is unique with their own strengths, do not compare
