

Welcome Meeting

Class 6 MYP 1

Big Change from Primary to Secondary

- new teachers/ more teachers

- Stressful

- Tutor/parents is important in the change

DIFFERENCES BETWEEN Y5 AND Y6

- Gain autonomy.
- Students are encouraged to be independent learners.
- Students are trained to be more aware of their responsibilities.
- Students will have specialists for each subject.
- New subjects: Exponential Science, Global Perspectives, Interdisciplinary Project
