Asunto: Former pupil

Dear Sir/Madam,

I am a former pupil of St. Peter's School, as were my two younger brothers. I was at the school between 1968 and 1974. I now live in London and have done so for the past twenty eight years. The reason for my e-mail, is that I went into the school's website two days ago and I had a pleasant surprise when I saw a photograph of my mother outside her classroom with her boys and girls. My mother is of course "Miss Rita". Who as you know taught at the school between 1967 and 2002, when she retired after 35 years. My brothers are Paul and Mark. I always say to my mother that our time at St. Peter's, were the best years of our lives. Even though I never went onto University, I am grateful for the wonderful years I had at St Peter's School and for the education that we received at the school. We had wonderful teachers and Headmistress, Miss Josephine Butler and of course the late Mr Ginjaume.

I will not be able to attend the meeting on the 16th of May, as I will not be in Barcelona.

Once again thank you and thank you for posting my Mother's photograph. I know how popular she was at the school.

Yours sincerely
